

PATZ & HALL

WINE REVIEW ONLINE

“Wine Gifting for Dummies”

“I recommend you take a close look at three outstanding California producers (Patz & Hall and...) who are making exceptional Cabernet Sauvignon, Merlot, Pinot Noir and Chardonnay that is as good as anything out there -- at prices well below what you would pay for one of the cult wines.

Patz & Hall is a Pinot Noir and Chardonnay specialist with exceptional wines in the same price range. The **Patz & Hall Chenoweth Ranch Pinot** is simply mind-blowing, but I honestly can't find a weak spot in the entire range of Pinots from this Sonoma County producer. Ditto on the Chardonnays.”
