Patz & Hall 2007

Napa Valley Chardonnay

“This excellent Chardonnay shows deep flavors but also very good balance and integration. Full-bodied at 14.2% alcohol, it nevertheless does not seem chunky or heavy, thanks to freshening acidity that lifts the finish. There is notable aroma and flavor impact from oak, but it is very nicely tuned to the weight of the fruit, making this a fine Chardonnay for stand-alone sipping or for pairing with dishes like swordfish or scallops.”
