The San Francisco Chronicle Tasting Panel Selection

2007 Hyde Vineyard Carneros Pinot Noir

“Larry Hyde's iconic vineyard, planted in 1979, is one of the best-known in the Carneros appellation, and Patz & Hall has produced a Pinot from it for almost 15 years. Rich but not over-the-top oak entry is a ballast for the generous berry fruit that expands on the back palate. Mint and moist soil add complexity; the long finish features a burst of acidity.”
