

PATZ & HALL

The Wine Advocate

“For the past twenty years, Patz & Hall has been one of California’s finest negociant firms, accessing top quality fruit and vinifying and bottling their wines with minimal intervention. The following efforts represent the finest wines I have tasted from them in many years.”

2007 Hyde Vineyard Carneros Chardonnay

“More orange marmalade, pineapple, honeysuckle, and candied fruit aromas jump from the glass of the deep, full-bodied, elegant, mineral-laced 2007 Hyde Vineyard, Carneros Chardonnay. The wood is pushed well to the background in this layered, well-textured offering.”
